Summer Camp

“Fun in the Sun Day Camp,” is a half day program that is convenient for those children who are in summer school in the morning and children who want to spend their afternoons in the sun with us. Our program takes place at Fontana School and begins right after the summer school program at noon and runs until 3:00 pm. Fun in the Sun Day Camp keeps children active through a variety of physical games, an array of creative crafts, and helps them to make friends by socializing with each other. Friday’s are full day programs that take place at Reid Park and Fontana Beach where the highlight of the day is swimming at Fontana Beach and conducting daily activities at Reid Park. So come spend your summer with us at the Fun in the Sun Day Camp, “Where It’s Cool To Be Yourself.”

Just Chillin’ Extended Care is a program that provides parents with childcare after camp from 3:00 to 6:00 pm. Participants in this program will have the chance to chill out and relax after camp by having the freedom to play games and other activities at their own pace. The Chill-Lax Extended Care Program will take place at the Camp Site. **Children must be enrolled in the summer camp program in order to be enrolled in the extended care program.**

For more information on Summer Camp contact the recreation district office or visit our website at www.bigfootrecreation.org/daycamps.html
